The screenshot shows a mobile application interface for adding a fingerprint. At the top, there is a status bar with various icons and the time 4:50. Below the status bar, a large green circle with a white checkmark is centered on the screen. Underneath the checkmark, the text "Add success" is displayed. Below this, the label "Fingerprint name" is followed by a text input field containing the text "Finger3". Under the input field, there are four buttons labeled "Left thumb", "Left index finger", "Right thumb", and "Right index finger". At the bottom of the screen, there is a large green button labeled "Done".
